Rower's Responsibility Waiver for COVID-19

COVID-19 is extremely contagious. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing (defined as wearing a face covering and maintaining a distance of 6' from others who are not members of the same household). The state has also placed limits on the number of people who may congregate when participating in outdoor recreation, depending on estimated risk level. The following is a link to guidance for the state of Oregon:
